

# Changes in software support: IBM Application Support Facility for z/OS V3.4

## Table of contents

<a href="#">1 Overview</a>	<a href="#">1 Replacement program information</a>
<a href="#">1 Withdrawn programs</a>	<a href="#">2 Announcement countries</a>

## Overview

Effective September 30, 2017, IBM will discontinue standard program services for the following program licensed under the Agreement for IBM Licensed Programs/IBM Agreement for Programs.

Fee-based service offerings will continue to be available. These offerings will provide support beyond September 30, 2017, via a services contract. For information about the extended support offering, contact your IBM representative.

## Program services discontinuance

Program services/licensed program support will be discontinued for selected licensed programs specified in this announcement.

## Withdrawn programs

Program number	Program name	VRM	Withdrawal from support
5655-002	IBM Application Support Facility for z/OS <sup>(R)</sup>	3.4.0	September 30, 2017

## Replacement program information

None

**5655-002, Application Support Facility V3.4** has no direct replacement. IBM recommends customers migrate to icon DOPIX/ARK. For more information, refer to Software Announcement [ZP14-0625](#), dated November 11, 2014.

---

## Announcement countries

---

All European, Middle Eastern, and African countries.
