

## Declaration of Plan to Discontinue Lease, Rental and Maintenance Services for Selected Machines

Periodically, IBM provides notice to customers of plans to terminate lease, rental and maintenance services for machines, under an IBM Agreement. The affected machine types are those previously withdrawn from marketing. The effective dates are December 31, 1994, September 30, 1995 and December 31, 1995, as indicated.

At this time, we are providing final notice that the types/models and feature codes listed, effective December 31, 1994 and September 30, 1995, will be discontinued from lease and rental. Additionally, the types/models and feature codes will be terminated from Maintenance Services under the IBM Customer Agreement. IBM will not send any further correspondence of this nature, for those machines or feature codes.

### *IN BRIEF . . .*

Selected machine types/models and feature codes to be withdrawn from IBM maintenance agreements effective December 31, 1994, September 30, 1995 and December 31, 1995.
