

Services withdrawal: Declaration of plan to discontinue lease, rental, and maintenance services for selected machines

Table of contents

1 Overview	1 Description
----------------------------	-------------------------------

Overview

Periodically, IBM® provides notice to customers of plans to terminate maintenance services for machines under an IBM Agreement. At this time, we are providing notice that selected machine types, models, and features will be discontinued from maintenance services. Refer to the withdrawn machine types, models, and features list in the [Description](#) section for a complete list of the machine types, models, and features and their effective dates.

IBM will send no further correspondence of this nature for these machines.

Effective dates:

- Original equipment manufacturer (OEM) machine types and models
 - OEM machine types and models - LIST A -- September 30, 2010
- Original equipment manufacturer (OEM) features only
 - OEM features - LIST A -- September 30, 2010
 - OEM features - LIST B -- March 31, 2011
 - OEM features - LIST C -- June 30, 2011
 - OEM features - LIST D -- September 30, 2011
- IBM machine types and models
 - IBM machine types and models - LIST A -- September 30, 2010
 - IBM machine types and models - LIST B -- December 31, 2010
 - IBM machine types and models - LIST C -- December 31, 2011
 - IBM machine types and models - LIST D -- March 31, 2012
 - IBM machine types and models - LIST E -- December 31, 2012

Description

Original equipment manufacturer (OEM) machine types and models

OEM machine types and models - LIST A

IBM will withdraw from its maintenance agreements the IBM machine types and models for the OEM products listed below, effective September 30, 2010.

TYPE	MOD	MANUFACTURER	DESCRIPTION
