

Services withdrawal: Declaration of plan to discontinue lease, rental, and maintenance services for selected machines, as well as selected services

Table of contents

- [1 Overview](#) [2 Description](#)

Overview

Periodically, IBM® provides notice to customers of plans to terminate services for machines under an IBM Agreement. At this time, we are providing notice that selected machine types, models, features, and options will be discontinued from maintenance services. Refer to the Withdrawn machine types, models, features, and options list in the [Description](#) section for a complete list of the machine types, models, features, and options and their effective dates. We are also providing notice that additional services will be discontinued.

IBM will send no further correspondence of this nature for these machines or services.

Effective dates:

- Original equipment manufacturer (OEM) machine types and models
- OEM machine types and models - List A -- September 30, 2011
- OEM machine types and models - List B -- December 31, 2011
- Original equipment manufacturer (OEM) features only
- OEM features - List A -- September 30, 2011
- IBM machine types and models
- IBM machine types and models - List A -- September 30, 2011
- IBM machine types and models - List B -- December 31, 2011
- IBM machine types and models - List C -- December 31, 2012
- IBM machine types and models - List D -- March 31, 2013
- IBM options
- IBM options - List A -- September 30, 2011
- IBM services
- IBM services - List A -- September 30, 2011

Description

Withdrawn machine types, models, features, options, and services

Original equipment manufacturer (OEM) machine types and models - List A

IBM will withdraw from its maintenance agreements the IBM machine types and models for the OEM products listed below, effective September 30, 2011.

Mach type	Mod	Manufacturer	Description
