Installation support

Remote technical support provided by Electronic Service Request (ESR), Software Maintenance contract, Electronic Incident Support (EIS), Lotus Web Support, and IBM Support Line will be withdrawn.

Remote Technical Support provides product support services for new defects. All other elements of IBM support offerings will continue to be provided.

Refer to the software support Web site for product support information

<http://www-3.ibm.com/software/support/>

Trademarks

Lotus Enterprise Integrator is a trademark of International Business Machines Corporation in the United States or other countries or both.

Domino, Lotus Notes, Notes, Passport Advantage, AIX, Lotus, and OS/400 are registered trademarks of International Business Machines Corporation in the United States or other countries or both.

Windows and Windows NT are trademarks of Microsoft Corporation.

Other company, product, and service names may be trademarks or service marks of others.
