

Instructor-Led Online Training

Highlights

- ***Access high-quality classroom material with the savings and convenience of online training***
- ***Easily connect to a virtual classroom and interact directly with our instructors***
- ***Go green: Train without traveling to reduce your carbon footprint***

Lotus is now offering some of our most popular courses in a new learning format, Instructor-Led Online (ILO). With ILO, you get the best of both worlds: the benefits of being in a classroom with the convenience and cost savings of online training!

Our courses are taught live by our experienced instructors using the same high-quality classroom material.

Benefits of ILO

- High-quality content that is identical to the classroom course
- No travel costs or travel time
- Live interaction with our world-class instructors
- Easy set-up with minimal client implementation and modest connectivity requirements, allowing participation from almost anywhere

How ILO Works

- Browse the course catalog and choose a course
- Enroll online to receive your course materials in advance
- On the day of the class, connect to a virtual classroom using your high-speed Internet connection. Interact directly with your instructor... just as you would in a typical classroom
- Select classrooms feature hands-on labs, providing you with access for the duration of the course to reinforce concepts learned. Additionally, the instructor can shadow and guide you as you work through the lab exercises
- Courses help to prepare for select Information Management Certification Exams
