

Hardware withdrawal: IBM Power Systems selected feature

Table of contents

- 1 [Overview](#)
- 1 [Withdrawn products](#)
- 1 [Replacement product information](#)

Overview

Effective September 11, 2018, IBM^(R) will withdraw from marketing the following select feature. On or after the effective date of withdrawal, you can no longer order this feature directly from IBM.

You can obtain the product on an as-available basis through IBM Business Partners.

If you have a continuing need for these machine types and models, go to the [IBM Certified Pre-owned Equipment](#) website to check on availability or utilize the request a quote to communicate your specific requirements. IBM Certified Pre-owned Equipment has the largest inventory of used IBM systems that are refurbished, tested, and warranted for a minimum of 90 days.

Withdrawn products

The following feature is being withdrawn on the specified models of the IBM Power SystemsTM machine types:

Effective September 11, 2018
