Overview

New part numbers are assigned to existing available Microsoft® Windows® Server Operating System Reseller Option Kits (ROK) for Lenovo® ThinkServer systems. These part numbers are now available and previous part numbers will be withdrawn from ordering.

These offerings, in support of the Lenovo ThinkServer products, provide resellers with flexible Microsoft operating system products they can easily install and configure for their customers. Lenovo Microsoft Windows Server ROKs contain everything business partners need to deliver complete customer solutions.

Availability date

March 24, 2009

Additional information

All offers are subject to availability. Lenovo reserves the right to alter product offerings and specifications at any time without notice. Lenovo is not responsible for photographic or typographic errors.

Lenovo makes no representation or warranty regarding third-party products or services.

Announcement countries

All European, Middle Eastern, and African countries.

Supplemental information

Microsoft Windows Server operating system reseller option kits for Lenovo ThinkServer systems (84978BE)

Help and service information -- Features and options

During the warranty period, support for a warranty related issue can be obtained by accessing Lenovo's online services (requires Internet access account, not included) or calling the Support Center, 8:00 a.m. until 6:00 p.m. Business hours, to answer any questions regarding your new
Lenovo option. Response time will vary depending on the number and nature of calls received. If you need warranty service, return or exchange is available. In addition, if your Lenovo option is installed in an Lenovo computer, you may be entitled to service at your location. For general questions related to the use of your options, fee-based support is available. Your technical support representative can help you determine the best alternative.
