

Software withdrawal: IBM Smart Analytics 5600 R1

Table of contents

1 Overview	1 Description
1 Replacement information	5 Announcement countries

Overview

Effective on the date listed below, IBM® will withdraw from marketing, part numbers from the following product release(s) licensed under the IBM International Program License Agreement:

Program number	VRM	withdrawal from marketing date	Program release name
5724-Z65	1.0.0	02/16/11	IBM Smart Analytics System 5600 Enterprise SW v1.0.0

Effective on the date listed below, IBM will withdraw support from the following product release(s) licensed under the IBM International Program License Agreement:

Program number	VRM	withdrawal from support date	Program release name
5724-Z65	1.0.0	04/30/14	IBM Smart Analytics system 5600 Enterprise SW

Replacement information

Replacement products

There are no replacement products.

Description

Effective **February 16, 2011**, IBM will withdraw from marketing the following products licensed under the IBM International Program License Agreement. A replacement product and availability date is listed if one is available.

Technical support

Remote technical support is provided as defined by the International Passport Advantage® Agreement.

Refer to the Software support website for product support information

<http://www.ibm.com/software/support/>

Customers may continue with annual renewal of Smart Analytics System 5600 support for existing licenses. For customers who wish to augment their system to accommodate growth moving forward, support is provided to add new releases of the IBM Smart Analytics System 5600 modules which are built on current hardware and software levels. Customers are encouraged to speak with their IBM Representative about their options.

Announcement countries

All European, Middle Eastern and African countries.

Trademarks

IBM and Passport Advantage are registered trademarks of IBM Corporation in the United States, other countries, or both.

Other company, product, and service names may be trademarks or service marks of others.

Terms of use

IBM products and services which are announced and available in your country can be ordered under the applicable standard agreements, terms, conditions, and prices in effect at the time. IBM reserves the right to modify or withdraw this announcement at any time without notice. This announcement is provided for your information only. Reference to other products in this announcement does not necessarily imply those products are announced, or intend to be announced, in your country. Additional terms of use are located at
