Software Maintenance - Proventia Mail Security MSL-10K-P-M
 Software Maintenance - Proventia Mail Security MSL-20K-P-M
 Software Maintenance - Proventia Mail Security MSL-50K-P-M

Customers will not be able to renew software maintenance after the end of marketing date for Proventia Network Mail Security. However, they will be allowed to migrate to Lotus® Protector for Mail Security. Customers wishing to migrate to Lotus Protector for Mail Security should contact their IBM renewal representative for a complete explanation of options and further information.

Customers running Proventia Network Mail Security System on IBM ISS branded hardware appliances may continue to purchase maintenance from ISS according to the hardware's applicable Life Cycle Policy.

Withdrawn software - End of support

End of support date: June 30, 2012

Withdrawn software description	Product part number
SiteProtector Management System License - Basic	SP-P-M
SiteProtector Management System License - Plus	SP-PLS-P-M
SiteProtector Management System License - Enterprise	SP-ENT-P-M
SiteProtector Management System License - Progressive	SP-PRG-P-M
