## Overview

Effective September 28, 2012, January 4, 2013, and July 5, 2013, IBM® will withdraw from marketing the following IBM Power Systems™ miscellaneous features. On or after the effective date of withdrawal, you can no longer order these products directly from IBM . You can obtain the products on an as-available basis through IBM Business Partners

If you have a continuing need for this product, visit our IBM Certified Used website to check on availability or utilize our request a quote to communicate your specific requirements. IBM Certified Used Equipment™ has the largest inventory of used IBM systems that are refurbished, tested, and warranted for a minimum of 90 days. For further information, visit
