

Revised availability: Effective withdrawal date for IBM Information Archive (2231) - Feature #7115

Table of contents

1 Overview	1 Description
----------------------------	-------------------------------

Overview

The previously announced effective withdrawal date of IBM® information archive (2231-D1A and 2231-D1B) has changed for feature number 7115 - 8 pack of 1TB HDDs.

Refer to Withdrawal Announcement [912-123](#), dated July 10, 2012 , for original withdrawal information.

On or after the effective date of withdrawal, you can no longer order this feature directly from IBM .

Features associated with the 2231-D1A and 2231-D1B not listed in the original withdrawal announcement continue to be available.

There is no change to the withdrawn status of the other features from the original withdrawal announcement.

Planned effective withdrawal date

Effective November 30, 2012, IBM will withdraw from marketing Feature number 7115 - 8 pack of 1TB HDDs - for IBM Information Archive for Machine types 2231-D1A and 2231-D1B.

Description

Terms and conditions and all other information are unchanged by this announcement. Refer to the Withdrawal Announcement listed in the [Reference information](#) section for complete withdrawal details.
