

Services withdrawal: Declaration of plan to discontinue lease, rental, and maintenance services for selected machines

Table of contents

1 Overview	1 Withdrawn products
----------------------------	--------------------------------------

Overview

Periodically, IBM® provides notice to customers of plans to terminate maintenance services for machines under an IBM Agreement. At this time, we are providing notice that selected machine types and models will be discontinued from maintenance services. Refer to the [Withdrawn machine types and models](#) list for a complete list of the machine types and models and their effective date.

IBM will send no further correspondence of this nature for these machines.

Withdrawn products

Withdrawn machine types and models

Original equipment manufacturer (OEM) products

IBM will withdraw from its maintenance agreements the IBM machine type/model and feature numbers for the OEM products listed below, effective September 30, 2009.

Machine type	Model	Manufacturer	Description
