Replacement program information

There are no licensed product replacements for this offering.

Existing licensed users of IBM WebSphere Message Broker with Rules and Formatter are encouraged to review their usage of the Rules and Formats function contained within this product, with a view to planning migration activities. In cases where this function is not utilized, equivalent function is provided within the IBM WebSphere Message Broker product (5724-J05); contact your IBM sales representative for further details.

Licensed users actively utilizing the Rules and Formats function and planning a migration activity over a longer period may request the PRPQ Offering of IBM WebSphere Message Broker with Rules and Formatter V7.0 by quoting the PRPQ number below.

Note: This offering will not be made generally available via standard fulfilment mechanisms.

PRPQ number	Program number	Title
7J0482	5799-MBR	IBM WebSphere Message Broker with Rules and Formatter Extension
7J0483	5799-MBS	IBM WebSphere Message Broker with Rules and Formatter Extension Support

7J0484	5799-BRF	IBM WebSphere Message Broker for z/OS® with Rules and Formatter Extension
7J0485	5799-BRS	IBM WebSphere Message Broker for z/OS with Rules and Formatter Extension Support

Contact your IBM sales representative for further details on all of the above.

Should you require assistance with migration planning or implementation, additional assistance may be purchased via a services offering from IBM Software Services For WebSphere.

Reference information

For details on the withdrawal of IBM WebSphere Message Broker for z/OS with Rules and Formatter V6.1, refer to Software Announcement [910-289](#), dated December 07, 2010.

Technical support
