### Notes

- *Only* "Per PVU" license part numbers are being withdrawn. They are replaced by "Per Virtual Server" license parts. The replacement entitlement ratio is listed below.
- There are unique withdrawal dates for all Subscription and Support (S&S) Renewal part numbers.
- The MQ LLM Client functionality has been rolled into the base MQ LLM offering and is no longer a separately chargeable component.
- There are no replacements for WebSphere MQ Low Latency Messaging Client Device products.
- For additional information, refer to Software Announcement [211-074](#), dated April 05, 2011.
