Overview

Effective April 30, 2013, IBM® will withdraw the following products from marketing. After this date, you can no longer obtain these products directly from IBM . You can obtain these products through authorized remarketers or IBM-authorized System x® and BladeCenter® dealers while supplies last.

These products, while no longer marketed by IBM , may continue to be available from authorized Option Continuation Program (OCP) resellers. For details on this program, visit

<http://www-03.ibm.com/systems/x/options/rackandpower/continuation.html>

These products may be obtained on an as-available basis through IBM Business Partners, resellers, or distributors.

If you have a continuing need for these options, visit our IBM Certified Used Equipment™ website to check on availability or utilize our "request a quote" to communicate your specific requirements. IBM Certified Used Equipment has the largest inventory of used IBM systems that are refurbished, tested, and warranted for a minimum of 90 days. For more information, visit
