Overview

In Software Announcement [212-289](#), dated September 11, 2012, the following function description statement was incorrectly included in the Description section:

Enhanced deployment

- IBM® Business Intelligence workload pattern uses proven practices for deploying optimized BI environments using IBM PureApplication™ System to significantly lower total cost of ownership and reduce IT backlog by automatically deploying fault tolerant IBM Cognos® Business Intelligence environments with elastic scaling.

Planned availability date

January 2, 2013

Description

Accessibility by people with disabilities

A US Section 508 Voluntary Product Accessibility Template (VPAT) containing details on accessibility compliance can be requested at

http://www.ibm.com/able/product_accessibility/index.html
