IBM InfoSphere Metadata Workbench is being withdrawn from market and will be replaced by the InfoSphere Information Governance Catalog. The InfoSphere Information Governance Catalog is a consolidation of both the InfoSphere Metadata Workbench and InfoSphere Business Glossary offerings and can be licensed by either Processor Value Unit (PVU) or Authorized Users (AU).

Software and Support entitlements for the InfoSphere Metadata Workbench will be converted to InfoSphere Information Governance Catalog in the following way:

- For customers who also have Software and Support entitlements to InfoSphere Business Glossary:
  - Infosphere Metadata Workbench Authorized Users (AU) will be migrated to InfoSphere Information Governance Catalog Processor Value Units (PVU) at a 1:20 ratio. **Note**: The InfoSphere Business Glossary offerings were withdrawn on July 22, 2014 and any Software and Support entitlements for these offerings were converted to InfoSphere Information Governance Catalog Processor Value Units (PVU).
- For customers who do not have Software and Support entitlements to InfoSphere Business Glossary:
  - InfoSphere Metadata Workbench Authorized Users (AU) will be migrated to InfoSphere Information Governance Catalog Authorized Users (AU) at a 1:1 ratio
