Replacement program information

This is a part number replacement only. New part numbers will be announced in a forthcoming announcement. WebSphere Dashboard Framework and Lotus ActiveInsight remain fully supported products.

This is intended to outline our general product direction and it should not be relied on in making a purchasing decision. It is for informational purposes only and may not be incorporated into any contract. It is not a commitment, promise, or legal obligation to deliver any material, code or functionality. The development, release, and timing of any features or functionality described for our products remains at our sole discretion.

Program withdrawal

The IBM programs specified in this announcement will be withdrawn from marketing. IBM will accept orders for these programs no later than three days prior to the effective date of withdrawal. Normal marketing activities and educational support will not be available unless previous agreement exists between the customer and IBM.

Customers having these programs installed or on order will continue to receive program support in accordance with the applicable IBM agreement.
