## Description

---

Effective **April 13, 2011**, IBM will withdraw from marketing the following products licensed under the IBM International Program License Agreement.

**This withdrawal will only impact the product version(s) mentioned below. IBM will continue to market and support later versions of these products.**

A replacement product and availability date is listed if one is available. Where multiple products are replaced by the same software image, the mapping below indicates the replacement program name rather than the individual product name. In these situations the mapping information only indicates the package where the replacement product may be found, and does not indicate an entitlement to any other products which may be included in that package.

Withdrawn products		Replacement products		
Part number	Product name	Part number	Product name	Availability date
