

Hardware withdrawal: IBM System Storage DS4000 and DS3500 features - Replacements available

Table of contents

- 1 Overview
- 1 Withdrawn products
- 2 Replacement product information

Overview

Effective May 24, 2013, IBM® will withdraw from marketing select features for IBM System Storage® DS4000® and DS3500.

On or after the effective date of withdrawal, you can no longer order these products directly from IBM .

For new orders, the customer requested arrival date (CRAD) can be no later than June 7, 2013. You can obtain the products on an as-available basis through IBM Business Partners

If you have a continuing need for this machine/model type, visit the IBM Certified Used website to check on availability or utilize request a quote to communicate your specific requirements. IBM Certified Used Equipment™ has the largest inventory of used IBM systems that are refurbished, tested, and warranted for a minimum of 90 days. For further information, visit
