At a glance

The current economic climate has generated a need for a new type of IBM® contract in Baltics, Bulgaria, Croatia, Czech Republic, Hungary, Romania, Serbia, Slovakia, Slovenia, Turkey, and Ukraine, offering service provided by IBM under the management of an IBM Business Partner.

Overview

Prime Bidder Mode services are now available to customers in Baltics, Bulgaria, Croatia, Czech Republic, Hungary, Romania, Serbia, Slovakia, Slovenia, Turkey, and Ukraine. These services are managed by the Business Partner, using IBM as a subcontractor. The end user purchases the service from the Business Partner under the terms of a Business Partner service agreement.

Key prerequisites

SSU Purple includes both hardware and software.

Planned availability date

August 21, 2012

Description

Prime Bidder Mode services are now available to customers in Baltics, Bulgaria, Croatia, Czech Republic, Hungary, Romania, Serbia, Slovakia, Slovenia, Turkey, and Ukraine. These services are managed by the Business Partner, using IBM as a subcontractor. The end user purchases the service from the Business Partner under the terms of a Business Partner service agreement.

The use of this contract must comply with clear business rules.

Once deployed, a standardized SSU Prime Bidder Mode contract will be available for all customers. CHIS has been updated to accommodate this new offering.

The basic documents for the Purple Mode will be the SSU Purple, the Schedule, and the 'Attachment for IBM as Subcontractor for ServiceSuite'.
Prices

For pricing information, contact your IBM representative or IBM Business Partner.

Same prices and discounts as those used for the Red mode.
