

Software withdrawal: IBM Rational Developer for System z selected licenses

Table of contents

1 Overview	1 Description
1 Replacement information	

Overview

Effective on the date listed below, IBM® will withdraw from marketing, part numbers from the following product release(s) licensed under the IBM International Program License Agreement:

Program number	Withdrawal from marketing date	Program release name
5724-T07	09/11/12	IBM Rational® Developer for System z

Replacement information

Replacement products

Existing clients for Rational Developer for System z® with EGL will have their entitlements moved to the new Rational Developer for System z offering and given equivalent entitlement for Rational Business Developer.

Existing clients for Rational Developer for System z with Java™ will have their entitlements moved to the Rational Developer for zEnterprise™ offering.

Refer to the [Description](#) section for replacement details.

Description

Effective **September 11, 2012**, IBM will withdraw from marketing the following products licensed under the IBM International Program License Agreement. A replacement product and availability date is listed if one is available.
