

# Agenda IBM Storage Strategy Days - Software Defined Storage für frischen Wind in Ihrer IT!

Zeit		Thema	Wer
Start	Ende		
09:00	10:15	<b>Registration und Frühstückskaffee</b>	
10:15	10:55	<b>Willkommen zu den IBM Storage Strategy Days 2017 (dt., 10 min)</b> <b>IBM's Storage Strategy (engl., 30 min)</b>	<b>Marcus Geist</b> , Director of IBM Storage Solutions DACH IMT <b>Ed Walsh</b> , General Manager - Storage & Software Defined Infrastructure
10:55	11:35	<b>Keynote 1: Storage Technologies in IBM Research (engl.)</b>	<b>Dr. Robert Haas</b> , IBM Storage Chief Technology Officer for Europe, Technical Strategy, IBM Systems Group
11:35	11:40	<b>Organisatorisches</b>	<b>Brigitte Stolz</b> , IBM Systems Storage DACH
11:40	12:40	<b>All Flash - when microseconds matter &amp; Flash Economics</b>	<b>Kurt Gerecke</b> , IT-Berater Tech Data GmbH & Co. OHG <b>Marcel Klotz</b> , IBM Systems DACH Offering Manager Flash Systeme
12:40	13:30	<b>Mittagessen</b>	
13:30	14:15	<b>IBM Spectrum Control &amp; Storage Insights - What's new and what's coming</b>	<b>Markus Standau</b> , ww Offering Manager Spectrum Control
14:15	15:15	<b>Performance Monitoring and Trouble Shooting (engl.)</b>	<b>Barry Whyte</b> , ATS for Storage Virtualization AP Region - Master Inventor IBM Global Markets, Systems HW Sales
15:15	15:45	<b>Kaffee- und Teepause</b>	
15:45	16:30	<b>Keynote 2: Cognitive Storage - Machine Learning and Quantum Computing</b>	<b>Dr. Axel Köster</b> , Executive IT Specialist - Storage Chief Technologist, ESSC, IBM
16:30	16:45	<b>IBM Spectrum Protect Plus - die Versicherung für Ihre VM-Umgebungen</b>	<b>Thomas Schäfer</b> , IBM Sales Leader Spectrum Storage Software DACH
16:45	17:15	<b>IBM FlashCopy backup und cloning solutions for SAP HANA</b>	<b>Axel Westphal</b> , IBM IT-Specialist   EMEA Storage Competence Center Kelsterbach
17:30	18:30	<b>Poster Session, OpenSpace Arena in Level 0 + 1</b>	<b>IBM Experten von Storage ATS, ESSC, CTS, TSS sowie Power &amp; Cloud</b>
ab 19:00	21:30	<b>Get Together mit Abendessen</b>	Explore and get involved in our OpenSpace Arena with our IBM Experts

**Marktplatz** ausserhalb der Vortragszeiten

Demos und Stände unserer BP und OEM Partner  
Demo IBM Storage Insights (Peter Flämig, IBM)

Breakout Sessions			
Raum Frankfurt 01-02	Raum Leipzig 01-xx	Raum Le Mans -01-05	Raum Zürich -01-05
Poster Session - Spectrum Scale, SAP HANA, etc.	Demo 2 - VersaStack (Bernd Albrecht)	Demo3 - TCOnow! Tools (Roland Tretau)	Meet the Experts of Spectrum Control (Markus Standau)
<p><b>Poster Session</b></p> <p>DRAID Best Practices    Hochverfügbarkeit    HyperSwap in IBM Storage Products    Spectrum Suite                      Spectrum Control    Tape ist immer modern!    VersaStack - IBM Storage mit CISCO als integriertes System    Performance                      IBM Cloud Object Storage    IBM Copy Data Management    Flash Technologies    VMWare Integration                      Enterprise Class Services    IBM Global Financing    IBM File Services    SAP HANA on Power                      u.v.m.</p>			

Agenda **IBM Storage Strategy Days - Software Defined Storage für frischen Wind in Ihrer IT!** 

14.09.2017 Plenum

Zeit		Thema	Wer
Anfang	Ende		
08:00	09:30	<b>Start in den Tag mit Kaffee und Tee - Early Bird Poster Session</b>	
09:30	10:30	<b>Keynote 3: Virtualization, Container &amp; Cloud Deployment - A Positioning</b>	<b>Dr. Basil Moshous</b> , IBM Executive Client IT Architect, The Open Group(™) Distinguished Certified IT Architect, Member of the IBM Academy of Technology (AoT), Core Member Technical Expert Council CR (TEC)
10:30	11:00	<b>Storage Management mit Storage Insights</b>	<b>Dietmar Noll</b> , IBM Spectrum Control - SDS Control Plane Software Architect
11:00	11:30	<b>Kaffee- und Teepause</b>	
11:30	12:15	<b>Overview VersaStack. Whats new in the Alliance between Cisco and IBM (engl.)</b>	<b>Dominic Cole</b> , EMEA Strategic Partnerships Sales Manager und <b>Dirk Mahnkopf</b> , Cisco
12:20	13:00	<b>Sicherheit mit IBM Storage und Server Plattformen</b>	<b>Thomas Hanicke</b> , IBM Systems Architect (Technical Sales, Cross Brand)
13:00	14:00	<b>Mittagessen</b>	
14:00	16:00	<b>Spectrum Virtualize Roadmap and Data Reduction Pools (engl.)</b>  <b>Spectrum Suite, SVasSW (engl.)</b>	<b>Barry Whyte</b> , ATS for Storage Virtualization AP Region - Master Inventor IBM Global Markets, Systems HW Sales  <b>Ian Shave</b> , ww Business Line Executive for Spectrum Virtualize & Converged Solutions, IBM
		<b>Schlussworte und Verabschiedung</b>	<b>Marcus Geist und Brigitte Stolz</b>

Breakout Sessions			
Raum Frankfurt 01-02	Raum Leipzig 01-xx	Raum Le Mans -01-05	Raum Zürich -01-05
<b>Wlfried Ochs</b> - Systems Lab Services - Bewährte Expertise für Ihren SDS Projekterfolg	<b>Josef Weingand</b> - Tape ist wieder modern!	<b>Kurt Gerecke, Alex Loibl</b> - IBM Cloud Object Storage	Demo: <b>Christoph Reichert</b> - Neuerungen bei Überwachung und Problemunterstützung des Spectrum Control Servers
<b>Götz Mensel, Frank Krämer</b> - Spectrum Scale (File, Object Services)	<b>Heiko Lehmann</b> - Copy Data Management	<b>Thomas Vogel</b> - HA/DR mit HyperSwap / Stretched Cluster und HotSpare Node	<b>Guy Meir, Ofer Leneman</b> , IBM Haifa - Best practices RTC / FlashSystem A9000 Data Reduction suite
